

Lesson Reflection

Name: Lalig Mussarian

Age: 40

Time Studying Piano: 3 months

1. What were some things you did in today's lesson?

Practiced counting out loud, finger switching, left and right hand coordination.

2. What has been the most challenging thing about learning the piano?

Counting out loud, and nailing down the rhythm and tempo.

3. What has been the easiest?

Learning the notes, and getting encouragement from Laura. She really is very supportive, and at the same time, she makes sure we learn the details.

4. What do you enjoy most about playing piano?

I find it relaxing and very enjoyable, and it is a goal I have had most of my life.

5. How do you think you've improved since you started?

I really feel I have learned a lot about music history, counting out loud to understand the rhythm and tempo, and the notes.

6. Do you think learning piano has helped you in other ways? (If you don't know, that's ok)

It has taught me the value of discipline, to practice consistently, and the joy of finally beginning something I have always wanted to do.
